

Design-Build Project Highlights

Project: Food Distribution
Location: Knoxville, Tennessee
Type: Structural
Features: This new food distribution facility has freezer storage, cold storage, and dry storage areas as well as shipping and receiving docks. At the hub of the facility is a two story office and administration building located convenient to all areas of the facility. This fast track design build project was completed in 2008, on time and within budget.

DESIGN, QUALITY, SCHEDULE... DELIVERED.
