

## Design-Build Project Highlights

Project: Food Distribution  
Location: Knoxville, Tennessee  
Type: Structural  
Features: This new food distribution facility has freezer storage, cold storage, and dry storage areas as well as shipping and receiving docks. At the hub of the facility is a two story office and administration building located convenient to all areas of the facility. This fast track design build project was completed in 2008, on time and within budget.

# DESIGN, QUALITY, SCHEDULE... DELIVERED.
